FIELD TRIPS

The Regional School District No. 17 Board of Education encourages and sanctions student field trips that are of value in helping achieve each participating student's educational objectives.

All student field trips shall require prior written approval by the building principal. In addition, all student field trips that are scheduled to last more than one day shall require the prior written approval of the Superintendent or his/her designee and the Regional School District No. 17 Board of Education.

All student field trips that require public solicitation of funds shall require Board approval prior to any fundraising by involved students or others on their behalf. In addition, any such fundraising activities must comply with the provisions of Board Policy concerning Fundraising Activities and any administrative regulations implementing such Board Policy.

The Board of Education will not be responsible for any field trip that is not approved in accordance with the procedures set forth in this policy and the accompanying regulations.

There are "Core Curriculum" fieldtrips and "Other Supportive" fieldtrips. Core Curriculum fieldtrips are an integral part of the curriculum for a grade level or course and no child shall be excluded from such a fieldtrip due to an inability to pay. The fees and transportation costs for Other Supportive fieldtrips will be paid by students, potentially including funds that were raised towards the cost of the fieldtrip.
