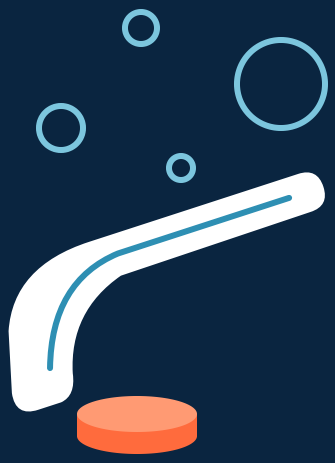
GREEN BAY UNDERWATER HOCKEY

Youth · Ages 10–14

Free Try-It Nights this fall

Hockey on the pool floor.

A fast team sport played underwater with fins, mask, snorkel and a short stick. Built for kids who come alive in the water.



Why parents choose it

Made for the non-traditional athlete. Kids who skip traditional sports often thrive here. Size and strength matter less underwater.

Everyone plays. Small groups and constant rotation mean lots of time on the puck.

Real fitness and confidence. Breath control, swim stamina and teamwork.

Led by experienced players. Relaunched in 2022 and coached by adult club members.
