October Newsletter

Walla Walla Center for Children and Families

RESPONSIBILITY--taking action and understanding the impact of our choices.

We still have spots available for this school year! Call Axel @526-1774.

A note from your Principal

It's been a wonderful beginning to our school year. Friends are learning how to share, get along and manage their emotions. Attached to this newsletter please find our CCF Family Positive Guidance Plan that you can use at home too. We are looking forward to inviting you into the building this month for some fun new experiences!
With Gratitude~~Mrs. Carpenter

CALMING STRATEGIES--BREATHING....
Ask your student to share what they have learned!

Learning At Home--Bath Time

Pour and Measure with cups, utensils and kitchen items

Explore floating and sinking objects. You can use anything!

Practice New Vocabulary: pour, measure, sink and float

Get Them to School Every Day

Preschool is the ideal time to stress the importance of consistent on-time attendance and encourage strong attendance habits.

Be enthusiastic!
Talk often to your kids about why school is important.

Be consistent
Set a regular bedtime and morning routine.

Be prepared
Lay out clothes and pack lunches and backpacks the night before.

Be flexible
Make a plan for getting to school in case something comes up.

Adaptaded from Attendance Works www.attendanceworks.org

Health & Safety

Washing hands is the best way to prevent the spread of germs! Please model this to your students. We are practicing at school!
