In addition, the Policy Subcommittee has reviewed all of the current 5000 series policies which were on the books, but were not in the Shipman set, to see if there was a need to keep them in place.

The policies listed below were presented as a First Read at the June 15, 2021 meeting and are now presented for Board review as a Second Read. All active/adopted policies from the 5000 series shall be posted on the district website.
