Liberty Elementary Fall Eagle News

Together We Level Up!

★ October – December 2026 ★

Message from Administrators

Greetings Liberty Elementary Families,

What a wonderful start to the school year! As we closed our first quarter, I could not be more proud of the enthusiasm, commitment, and positive energy throughout our school community. We are motivated and excited to continue Leveling Up the learning experiences we provide for every student.

At Liberty, we remain committed to creating engaging and innovative opportunities for our students. We are excited to continue offering our Science & Technology Innovative Program, which will provide students with meaningful and engaging activities throughout the school year.

Our campus also continues to serve the broader community. Amanda's Place, a toddler and parent engagement program, is available on campus Monday through Thursday. In addition, our district's Risk Management and Workers' Compensation Departments will now be housed in our second building.

As we move into the second quarter, your child's teacher will be reaching out soon to schedule your first parent-teacher conference, if one has not already been scheduled. Please make time to meet with your child's teacher to discuss academic progress, celebrate successes, address areas for growth, and determine how we can work together to help your child continue to Level Up!

We also want to extend a heartfelt thank you to our families who have truly Leveled Up their involvement this year. We have experienced standing-room-only attendance at our SAC meetings, along with wonderful participation at our PTA and SAF meetings. Your presence and partnership make a difference! Please continue to join us as we collaborate to create a rewarding and successful school experience for every student.

Our calendar through Winter Break is shared below. Please take special note of our upcoming family events and the STAR and FAST PM2 assessments in December. Your support with regular attendance, arriving to school on time, and encouraging your child to do their very best helps position our students for success.

Please also remember that Liberty has several support staff members available to assist our students and families with a variety of needs. Do not hesitate to reach out if we can be of assistance. We are here to support you!

As we enjoy this beautiful fall season, thank you for your continued trust, partnership, and commitment to Liberty Elementary. Together, let's keep the momentum going, continue to Level Up, and make this an outstanding year for our students!

I look forward to seeing you on campus soon.

With Liberty Pride,

Dr. Vicki Flournoy, Principal & Ms. Donna Styles, Assistant Principal

Safety & Security Updates

- All visitors must report to the front office.
- All visitors must go through our Raptor Visitor System.
- All visitors must have a picture I.D. in order to gain access to the school.
- All visitors must show their I.D. in the Main Office Camera and state the purpose in order to safely enter the campus.
- All parents must have a CurbSmart Dismissal Placard to pick-up their child by car or when walking up. A picture of the sign on your mobile device is acceptable as well.
- Parents must update their contact information with the front office.
- All students should be in uniforms.
