How to register & pay for May 2027 Advanced Placement (AP) Exams at Avonworth High School (AHS)

Online AP Exam Registration has begun and will take place until November 5th

Taking AP Exams is an important part of all AP coursework. AHS strongly recommends, but does not require, that all students take the associated exams for the AP classes they are enrolled. Please check with your teacher for more specific details and/or recommendations. Scoring well on these exams can earn students college credit, possibly saving money on college tuition.

For the 2026-27 AP exams, AHS students need to **complete two steps:**

1. **Register a student account online with College Board**
    - **You may have done this for PSAT Exam, SAT Exam, and/or AP Classroom**
    - **Please use a private email address**
    - **DO NOT USE YOUR asdlopes email address**
    - **Make sure "YES" is checked in AP Classroom that you are taking the exam**
2. **Make a payment through Total Registration**

Registration is not complete until both steps described above are completed.

Registration will continue until November 5, 2026 without any late fees - $105/exam

You may register for an AP exam(s) until November 12th, but will incur a $10 late fee after November 5th - $115/exam

AP Exams may be ordered after November 12th, but will incur a $45 late fee

If it is a challenge for a student/family to pay the AP Exam fee, financial assistance may be available for those students who register before November 12th. Please contact Mr. David Como

We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered and paid for.

If your student wishes to take an exam but has a conflict with another AP Exam or a prior commitment on the scheduled exam day, an alternate exam date is available. There may be additional fees. Please contact Mr. David Como to make arrangements

Students will need access to their College Board Account
