What is a School-Family Compact?

It is a written commitment describing how all members of a school-family, faculty, staff and students agree to share responsibility for improved student achievement. The School-Family compact is reviewed yearly and discussed throughout the year.

Jointly Developed

All students participating in the Title I, Part A program, and their families, jointly develop the school-family compact along with teachers and staff. The compact outlines how our parents, faculty, staff, and students will share the responsibility for improved student academic achievement.

Each school year all stakeholders are invited to attend to revise and review our School-Parents & Family Compact. Parents & Families are welcome to come and contribute at any time.

ALL MEETINGS ARE OPEN TO PARENTS, GUARDIANS, & STAKEHOLDERS!

If you would like to volunteer, participate and/ or observe in the classroom, please contact: Mrs. Charma Shaw, Title I Parent Liaison at shawc@fultonschools.org or 470-254-9953. More information can be found on our schools website: www.fultonschools.org/school/Renaissance

- Classroom observations only available by appointment with an administrator.

***Times & Dates are subjected to change.**

This is a glance of some of our activities for this year. Be sure to check the schools website for updated information.

Communication about Student Learning

Renaissance Elementary School is committed to transparency when it comes to our communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Class Dojo
- Updates on the schools website
- Infinite Campus to see students grades & etc.
- Schedule Parent Teacher Conferences by emailing or Class Dojo the teacher. STAFF EMAILS are located on our schools website.
- Progress Reports/Report Cards are located in Infinite Campus.

Revised: June 24, 2026

2026-2027 District Goals

- Increase the percentage of all students scoring proficient or distinguished on Reading Milestones
- Increase the percentage of all students scoring proficient or distinguished on Math Milestones

Fulton County Schools
Where Students Come First

School Academic Goals 2026-2027

ELA-By May 2027, increase the percentage of students performing on or above grade level in reading by moving at least 50% of students currently one grade level below up at least one i-Ready placement level. Monitor Special Education and ESOL students separately to ensure comparable growth.

Math-By May 2027, increase the percentage of students scoring Proficient or Distinguished on the Math EOG from 41% to at least 46.5%, while reducing the percentage of students scoring at the Beginning level. Focus on moving

Admins, Teachers, Parents, Families, Students-Together for Success

The faculty and staff will work with students and their families to support academic success…

⇒ Offer interactive family math & literacy night workshops to assist our families with phonics, math/reading fluency, and comprehension. As well as provide take home activities to work with their child at home.

⇒ Provide video links and articles in the school newsletter with strategies for phonics, math fluency, and comprehension.

⇒ Provide a Parent Resource Center for parents and families to check out phonics, math, reading fluency, and comprehension games/activities.

Parents and Families will…

⇒ Attend family math & literacy nights workshops to assist with my child's phonics, math/reading fluency, and comprehension. Also, we will use take home activities provided at the workshops to assist my child at home.

⇒ Use strategies and tips from video links and articles in the school newsletter to work with my child with phonics, math/reading fluency and reading comprehension.

⇒ Checkout resources from the parent resource center to work with my child with phonics, math/reading fluency, and comprehension.

Renaissance Students will…

⇒ Use reading and math strategies my parents learned at family math & literacy night to help with my assignments.

⇒ Use writing, phonics, math/reading fluency and reading comprehension strategies and tips from video links and articles in the school newsletter to help me with my work.

⇒ Use writing, phonics, math/reading fluency, and comprehension games and activities that my parent checked out from the Parent Resource Center.

Focus Areas

Math: Math Fluency

Reading: Reading Fluency, Phonics, and Comprehension
