Guidance Update: Upcoming Events and Opportunities
10/22/26 edition

(The opportunities and events that are listed here have been sent to us from various sources. They are not endorsed by us. We are simply sharing information.)

Part-Time Job Opportunity for Dover/Sherborn HS Students

My name is AJ Stephens, and I am the President & GM at Team White Mamba facility, which is a new sports facility in Walpole owned and operated by former Boston Celtics player "Brian Scalabrine".

We are currently looking for reliable part-time student workers for our open scorekeeping and concessions positions. We hire starting at age 15.

Interested students can express their interest by emailing me directly at aj@teamwhitemamba.com.

Dover Town Sustainability Committee Opportunity - Community Liaison

The Town of Dover's Sustainability Committee is in the process of updating goals and priorities to respond to the impacts of climate change. We are seeking multiple Community Liaisons to help connect with the Dover community to support this planning process.

There are several slots open, all are stipended, and the positions are open to all students (as well as family and faculty/staff) -- we're looking for folks "with a connection" to Dover, i.e. live, study, work, etc. in town. Folks do not have to be Dover residents.

CLICK HERE for more information.

Apply online by November 13 at: https://forms.cloud.microsoft/r/iD4yc1rDKW

Questions? Contact Anna Nagy, Sustainability Committee Chair (anagy@doverma.gov)

Youth in Philanthropy Spring 2027

Applications for Youth in Philanthropy (YIP) Spring 2027 are now open! YIP is an experiential leadership development program designed to empower and educate local youth to become our community's next generation of philanthropists.

We'll be holding one program in Framingham on Wednesday evenings and one program in Wellesley on Thursday evenings from January through May.

Click here to learn more about Youth in Philanthropy.

You can find the program application at this link.

The Boston Leadership Institute Summer 2027 STEM programs

The Boston Leadership Institute is now accepting applications for Summer 2027 STEM programs designed for high-achieving teens. Participants engage in experimental research with faculty experts in cutting-edge areas of science. Programs are offered in fields that generate high-demand STEM careers.

Programs provide:

- Hands-on, in-depth research experience that can be included in college admissions essays
- Research skills that afford students an edge in obtaining internships and research positions
- A platform to explore potential college majors and careers
- An opportunity for students to demonstrate initiative, drive, and mastery of upper-level STEM subject matter

Well-equipped science labs and premier facilities provide the type of summer experience that is highly valued in college admissions. Programs take full advantage of Greater Boston locations where world-class colleges such as Harvard meet world-class biotech and medical centers to provide field trips and guest lectures. Day and residential options are available.

Visit our website and apply online at http://bostonleadershipinstitute.com.

High School Community Volunteer Opportunity Saturdays, October - May

My name is Bithyah Israel, President & CEO of City Strings United (CSU), which serves over 130 students annually.

We have immediate volunteer opportunities that may fulfill community service requirements for graduation. Volunteers would support our 10 instructors in the classroom on Saturdays and help with setup/breakdown. To see our program in motion, please enjoy this short video. Saturday hours are 8:30 A.M. to 2:30 P.M., with flexible schedules available.
