Hello,

I request a copy of the following existing public record from Beaufort 01:

The district's current door-access software license or support renewal and product schedule, including: (1) manufacturer, product, and edition, (2) support term, (3) service provider, and (4) any named employee-identity provisioning integration.

Please provide the record as maintained. Electronic copies by email are preferred. If a fee would apply, please send an estimate before incurring any charge; I do not authorize payment.

Thank you,
Sam Crombie
