Atty. Phillip Boyd Named Workplace Compliance Coordinator for the Jennings School District

(JENNINGS, MO, Oct. 26, 2026) – Phillip Boyd, a principal attorney and human resources consultant at St. Louis-based law firm, Curtis, Heinz, Garrett and O'Keefe, P. C., is joining the Jennings School District (JSD) in a part-time role as Workplace Compliance Coordinator.

The newly developed position leverages Boyd's experience leading the HR function for school districts and his experience in the labor and employment law space to establish a foundation for further development of the district's Human Resources (HR) department.

Boyd has served in several school districts across St. Louis County in positions ranging from Assistant Superintendent of Student Support Services to Chief of Human Resources for both Ferguson-Florissant School District and the Special School District of Saint Louis County.

In Jennings, he will provide HR leadership, supporting a position that has been open for the past few months. Boyd explains, "I will oversee HR, ensuring the district can continue to operate efficiently while preparing for a seamless transition of leadership when the district is ready to bring on a new Chief Human Resources Officer."

JSD's Superintendent Dr. Paula Knight says she is pleased to partner with Boyd during this transitional period. "Attorney Boyd has extensive experience in the realm of HR and strategic talent development. He has either served directly or supported all functions of HR. In the Workplace Compliance he will help provide a solid foundation for the continued development of HR services in the Jennings School District."

Boyd is a member of the Society of Human Resource Management and the Society of Multicultural Professionals in Human Resources.
