Each school that receives Title I, Part A funding must work together with parents to create a School-Parent Compact, which is a written agreement explaining how the school, parents, and students will share the responsibility for supporting student learning and helping every child succeed. As part of the school's Parent and Family Engagement Plan, the compact outlines what the school will do to support learning, what parents can do at home, how students will take responsibility for their own learning, and how families and the school will partner to help children meet the state's academic standards. The goal of the compact is to ensure that everyone understands their role in helping students achieve their best.

COMMITMENT FROM OUR SCHOOL

1. **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's challenging State academic standards.**

   At McLeansville Elementary School we encourage all teachers to collaborate daily. We utilize high quality curriculum and instructional strategies in both Reading and Math. We also encourage students to take responsibility for their own learning.

2. **Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.**

   At McLeansville Elementary School, we hold parent-teacher conferences at the conclusion of the first quarter (Q1). We also have a student led conference night at the conclusion of second quarter (Q2). Parents are always encouraged to talk to teachers and staff about student progress at any point in the school year.

3. **Provide parents with frequent reports on their children's progress.**

   At McLeansville Elementary School, parents are invited to parent-teacher conference night, student-led portfolio night. Parents are encouraged to ask questions about progress at any time throughout the school year.

4. **Provide parents with reasonable access to staff.**

   McLeansville Elementary School families are encouraged to contact staff on a regular basis. Staff emails addresses are shared with parents and staff are required to respond to emails and/or calls within 24 hours. Most often, calls and/or texts are returned on the same day.

5. **Provide parents with opportunities to volunteer and participate in their child's class, and to observe classroom activities.**

   At McLeansville Elementary School, we inform parents of the GCS volunteer protocols each year at Open House. We also discuss volunteer opportunities at this event. Our Spanish interpreter contacts our Spanish-speaking parents to disseminate this information to them.

6. **Ensure regular two-way, meaningful communication between family members and school staff that is, to the extent practicable, in a language that family members can understand.**

At McLeansville Elementary School, we frequently utilize our community liaison/interpreter to ensure that information that is given to our community stakeholders is translated into languages that they can understand.

COMMITMENT FROM PARENTS AND FAMILY

We, as parents, will support our children's learning in the following ways:

- Ensuring students are at school and on time each day that they are able to come
- Talking to my child about their school activities each day
- Reinforcing the positive behaviors that are expected on the campus of McLeansville Elementary School
- Communicating with your child's teacher frequently

COMMITMENT FROM STUDENTS

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

- Starting each day with a positive attitude
- Entering the building ready to learn each day
- Committing to read at least 30 minutes a day

PARENT AND FAMILY ENGAGEMENT ACTIVITIES

We value our partnership with all stakeholders and are proud of the many opportunities available for parents to be actively involved in the school and activities to support their child. This year, families will be invited to:
At McLeansville Elementary School, we host a yearly Title I parent meeting in the fall. This meeting provides families the opportunity to learn more about the Title I guidelines, budget and benefits of attending a Title I school. We also invite families to attend Title I engagement events that are held throughout the school year. Examples of these nights include our Fall Festival, student-led portfolio night, Spring Beautification Day, and musical performances that we hold twice a year.
