June 5, 2026

The Policy Committee met in the EGPS conference room at 111 Peirce Street from 8:30 am to 10:00 am.

The Committee reviewed a First Read of New Policy # 8500, Use of E-Bikes and Motorized Mobility Devices. The Committee began to review applicable state and local laws and regulations several months ago and determined to act with urgency to approve a new policy before the beginning of the next academic year, so that students and parents will have time to review requirements and prohibitions.

The Committee reviewed a First Read of Revised Policy # 7215, Evaluation of the Instructional Program. Discussion centered on the reason-for-being for a policy identifying operational steps undertaken at the discretion of the Office of Teaching and Learning. A decision will be made on revision vs. repeal at the next meeting.
