September 11, 2026

The Policy Committee met in the EGPS conference room at 111 Peirce Street from 8:30 am to 10:00 am.

The Committee reviewed a First Read of Revised Policy # 5710, Employee Dress Code. The Committee was favorably disposed towards the revision and the Superintendent will share the draft with the teachers' union for input.

The Committee reviewed a First Read of Revised Policy # 2180, Student Residency. The policy includes new language required by a modest change in Rhode Island General Laws.

The Committee reviewed a First Read of Revised Policy # 9125, Recycling. The revision includes another language change from revised RIGL. The Committee discussed expanding the scope of the policy to include a more comprehensive approach to recycling. Ideas for increasing the scope will be reviewed at the next meeting.

The Committee reviewed a First Read of Revised Policy # 4216, Suicide Prevention. The Administration will implement a required change in RIGL to include suicide prevention and mental health hotline numbers on all student and staff IDs.

The Committee reviewed a First Read of New Policy # 4170, Automatic External Defibrillators. The Committee agreed to fast track the policy so it can be implemented for buildings and grounds and at sporting events as soon as possible (NB: EGPS has a network of AEDs but the policy codifies placement, use, training, etc., consistent with new RIGL requirements.)

The Committee reviewed a First Read of New Policy # 9150, Inspection of Athletic Facilities. The Administration will consider how to operationalize this policy after further discussions with building leaders and the Athletic Director.
