Whole and Term Life Insurance up to $500,000: Term 10, 20, and 30 year and Whole Life. No blood work or physical required! Fully portable and rate stable! Contact your representative for rates!

Accident Protection Plan - This plan covers you and/or family for **any accident or injury (on and off the job)** that requires you to seek medical treatment for any type of injury! Small or large! This plan provides benefits for injuries, physical therapy, surgery, medical equipment, and more. This plan also has accidental life insurance included! **This plan pays over and above ANY other insurance you may have!**

Hospital Indemnity – $1000 per hospital confinement FOR ANY REASON, pregnancy, surgery, sickness, and injury!

Cancer Plan / Critical Illness - This benefit pays you to **help with out-of-pocket expenses associated with cancer!** This enhanced plan provides benefits for cancer treatment, surgery, radiation, chemotherapy, at home health care, mileage, lodging, experimental treatment and more! This plan offers a $50 cancer screening exam each year, per person on the plan. . ***Everyone ages 18-75 pays the same rate***!!

Short-Term Disability - This plan pays you a monthly benefit for disability due to illness, injury or maternity leave. **Benefit is paid to you to help with out of pocket medical costs and everyday living expenses.** Plan is now Guaranteed Issue meaning all employees can medically qualify.

Contact Tyler Knight for additional information or to enroll!

Remember All Aflac policies:

- ***Pay on top of ANY other insurance you may have***
- ***Are guaranteed renewable (can not be cancelled due to age or claim)***
- ***Are fully portable (you take them with you AT THE SAME GROUP RATE if you retire or leave work***
- ***Are rate stable (aflac can not single you or the school out for a rate increase) Regardless of age or claims***

Planning a family?
Aflac can customize a maternity package just for you!
Example: A female employee earning $54,000/year selects the following:

Short Term Disability $2700/month + Hospital Coverage

Total Payout: $3,850 for natural childbirth, $5200 for cesarean childbirth

Payout Breakdown:

Natural Childbirth	**Disability -** $2,700
	Hospital - $1000 initial hospitalization
	$50 per day from day 1-3
	** assuming a 3 day stay*
Cesarean Childbirth	**Disability -** $4.050
	Hospital - $1000 initial hospitalization
	$50 per day from day 1-3
	** assuming a 3 day stay*

Note: Example based on a 7 day disability waiting period. Complications that result in additional disability or hospitalization prior to, or following delivery will result in additional benefits.
