Dear Wilson High School Students, Staff, and Families,

As I wrap up my first week as principal of Wilson High School, I want to express how excited and grateful I am to be part of the Wilson community. It has been a wonderful first week, and I am already feeling at home thanks to the warm welcome and support I have received from everyone.

I sincerely appreciate how helpful and welcoming our staff have been as I transition into my new role. I have also enjoyed meeting our students and spending time visiting classrooms throughout the week. One of my goals has been to begin learning student names, because building relationships and getting to know our students is an important part of creating a positive school community.

I have also enjoyed connecting with a few families while attending after-school sporting events. I look forward to attending more events, meeting additional families, and becoming more involved in the Wilson community.

I am excited about the opportunities ahead of us and what we can accomplish together. By working collaboratively, building strong relationships, and keeping student success at the center of everything we do, I know we can continue to make Wilson High School a great place to learn, work, and grow.

Thank you again for making my first week such a positive experience. I look forward to getting to know all of you better and to the great thing we will achieve together!

Go Wilson!

Warm regards,
Dr. Joseph M. Pray
Principal
