Revised September 14, 2026 (K – 5)

What is a School-Parent Compact?

A **School-Parent Compact for Achievement** is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to ensure that all our students reach grade-level standards.

Effective Compacts:

⇒ **Link** to academic achievement goals.

⇒ **Focus** on student learning skills.

⇒ **Describe** how teachers will help students develop those skills using high-quality instruction.

⇒ **Share** strategies that staff, parents, and students can use.

⇒ **Explain** how teachers and parents will communicate about student progress.

⇒ **Describe** opportunities for parents to observe, volunteer, and participate in the classroom.

Engagement Opportunities

School Council
PTO Board
Book Fair
Career Awareness Participants
Event Assistants
Parent Advisory Committee
Classroom Helpers
Testing Proctors

All volunteers are welcome at Skyview Elementary School. To volunteer, you must have on file with the school an **approved** volunteer form. Volunteer application packets are located in the front office. For more information, please contact the office or Title I Family Engagement Representative at 478-779-4000.

Building Partnerships

Skyview offers ongoing events and programs to provide parents and students with access to our staff.

⇒ Open House

⇒ Curriculum Night

⇒ Parent-Teacher conferences to discuss your child's progress and review the School-Parent Compact

⇒ Student led conferences

⇒ PTO Meetings

To make an appointment with your child's teacher, send a message in Parent Square, email the teacher, call the school, or send a note to the school with the student.

Do you have questions about your child's progress? Contact your child's teacher by phone at (478) 779-4000, email or send a message on Parent Square.

Communication with Parents About Student Learning

Skyview Elementary School will continue to encourage open communication between parents, teachers, administration, and staff through:

⇒ Parent-Teacher Conferences where the School-Parent Compact will be reviewed and discussed.

⇒ Invitations to parents to all school-wide and district opportunities for learning.

⇒ Access to faculty and staff through Parent Square, online communication tool, email, telephone, letters, school website, and school visits.

⇒ Parent Portal, online access to grades, assignments, and attendance reports.

⇒. Facebook and other social media

District Goals

Strategic Goal 1: Student Achievement
All students will continually demonstrate high academic and social-emotional growth preparing them for life, college, and careers.

Strategic Goal 2: Staff Effectiveness
All employees will excel daily in the performance of their roles to ensure our district thrives.

Strategic Goal 3: Stakeholder Engagement
We will build collective ownership and active engagement among all stakeholders to maximize students' overall learning experiences.

Skyview Goals:

1. Skyview Elementary School will increase 3-5 grade students (and each subgroup for example, ALL, ED, SWD, EL, Gifted, etc) performing at the proficient level or above by 10% in ELA, Math (from 52.5 to 62.5), and Science(5th) (from 46.8 to 56.8) on the Spring 2027 GMAS. (*Emphasis on distinguished)
   Focus will be on:
   - Students will participate in flexible grouping during ELA and math instruction in grades K-5th.
2. Decrease the percentage of students that are chronically absent from 10.9% in May of 2026 to 9.4% by May 2027.
   Focus will be on:
   - Skyview will partner with students and parents to increase daily attendance and decrease tardies.

Jointly Composed & Equally Committed

The parents, students, and staff of Skyview Elementary School have developed a School-Parent Compact for Academic Achievement. Teachers suggested home learning strategies; parents added ideas to make them more specific; and students told us what would help them learn. Meetings are held at the end of each year to review and revise the Compact for the following school term. We also review this document throughout the year and make changes based on developing student needs.

Parents are welcome to make comments at any time. Parents are always welcome to volunteer with an approved background check. Contact Title I Family Engagement Representative, by phone at 478-779-4000

This is HOW We Will Do It!!

"Skyview Elementary" Will…

- Engage students in reading and math, and leaning in small group instruction (Number Talks, and Problem-Solving, Waggle)
- Ensure students have opportunities for daily reading and literacy enrichment (AR, Amira)
- Regularly communicate student progress and grade level expectations with parents
- Reward students who have good attendance and educate them on how it impacts their future
- Educate families on the correlation between attendance and success

"Families" Will…

- Attend and participate in the learning opportunities provided to help us coach and encourage our children to understand math goals and assignments and increase number sense strategies effectively at home.
- Use teacher provided resources to review curriculum expectations/goals; instruct and encourage our children to complete assignments by giving their best efforts.
- Bring our children to school every day and on time, so they will get the benefit of a full day's instruction.
- Communicate regularly with teachers on student progress.

"Skyview Students " Will…

Students joined their parents and school staff to develop ideas about how they can be responsible and work to reach Skyview's academic math objectives. They also committed themselves to meeting the attendance goal that has been established to address the issue of student absenteeism/tardiness. Students brainstormed the following ideas to make connections between being present at school every day and increasing their reading fluency and comprehension to reaching higher academic achievement, propelling them to become successful in the future:

- Practice math facts! Have our family members practice with us daily.
- Read towards AR word count goals
- Complete all given assignments in school and at home for practice.
- Let our parents know how important it is for us to go to school every day.
- Encourage other students to come to school too.
