What is it?	Fleming-McReynolds Middle School STEM Academy provides a Title I, Part A schoolwide Family Engagement Program to strengthen partnerships between school and home, promote quality education, and support success for all students. Parents are invited to help develop and revise the School-Family Compact, Family Engagement Policy, and Comprehensive Needs Assessment.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program. Policy information is posted annually on the school website.
Family Meetings	Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria. You can enter through the main entrance facing Bringhurst Street. The information is the same for all coordinating meetings and will be at different meeting times for family convenience. These meetings explain the Title I, Part A program and parent/student rights. Opportunities also include Title I annual and parent meetings, Meet the Teacher Night, Open House Night, PTO, content nights, and other school events.
How to be involved	Parents may participate in policy and compact development/revision, the Comprehensive Needs Assessment and other campus decisions by: ➢ Joining PTO ➢ Volunteer opportunities ➢ Family events and school activities ➢ Feedback opportunities
Family Trainings/Activities	Core-content academic nights in Literacy, Math, and Science provide materials and training to help families support academic achievement. Other supports and activities include Wraparound Services, Sunrise Center, food distribution, community partners, STEM events, and school-family events. Curriculum	Fleming-McReynolds Middle School utilizes high-quality curriculum that supports student success.
Forms of Academic Assessments	Fleming-McReynolds Middle School has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums. MAP, TELPAS, PSAT, and CFA are among assessments discussed with families. Progress reports and report cards are also shared.
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar performance-standards. Fleming-McReynolds Middle School tracks each child's growth throughout the year via local assessments (mentioned above).
Ways to Request regular meetings	Parents/guardians are encouraged to communicate with the school and provide feedback at parent engagement activities and through the climate survey. Staff and teachers will also make themselves available to parents through appointments made by contacting the school or via email.
