2026-2027

Mission Statement

Royal Palm Beach Community High School recognizes the importance of forming a strong partnership with parents; in order to promote effective parent involvement, the faculty and staff are committed to involving parents in shared decision-making and encouraging families to become active participants in their child's educational process. This is the Wildcat Way.

Annual Parent Meeting

The Annual Title I Parent Meeting is scheduled for October 2026 at 5 PM in the media center and will also be posted on the school website. Parents will be notified via the school website, Parent Link, newsletters, call-outs, and marquee announcements. Resources such as agendas, the Parent and Family Engagement Plan (PFEP), School-Parent Compact, SAC dates, and translated materials will be provided.

Parent Trainings

Parents will be offered opportunities to build skills and knowledge to support student learning at home.

- **College A to Z (September):** Guidance staff will provide parents with information on college applications, requirements, and financial aid. Parents will practice creating sample essays and applications.
- **Multicultural Parent Night (October**): Parents will learn about graduation requirements, assessments, and post-secondary options, with a focus on increasing ELL graduation rates.

Shared Decision-Making

Stakeholders include administrators, teachers, and community representatives. Members are selected through volunteer opportunities and School Advisory Council (SAC) meetings. Parents and community members are invited to give input during Comprehensive Needs Assessments, monthly SAC meetings, special committees, parent training evaluations, and surveys. Stakeholder input also guides Title I funding decisions.

Accessibility

The school ensures equitable access for all families:

- Translation Services: Materials are provided in English, Spanish, and Haitian Creole; CLFs support families during meetings.
- Physical & Special Needs Access: The school is ADA compliant, with interpreters, amplifiers, and modified materials available.
- Support for Migrant Families: Flexible meeting times, transportation, and home visits are offered.
- Support for Homeless Families: A dedicated counselor connects families with McKinney-Vento resources, transportation, and flexible scheduling.

Communication

The school uses multiple platforms to share information: website, Parent Link, social media, newsletters, flyers, SAC meetings, and conferences. Parents are kept informed about curriculum, assessments, proficiency levels, and available programs. Evidence includes newsletters, flyers, agendas, sign-in sheets, and meeting notes. The school also offers flexible meeting times, child supervision during trainings, and posts recordings online for accessibility.

Volunteers

Families are encouraged to volunteer at our school to help students and teachers be successful. To find out more about volunteer opportunities, please call our school's volunteer coordinator. We would love to have your help.
