Strong Schools Build Strong Communities

The ASD community will vote on a bond November 3 that will help with overcrowding at all middle schools. The package would build the district's fifth middle school, replace Cascade Middle School and replace Alpac Elementary.

More than 1,100 middle school students currently attend classes in 46 portables across the four middle schools. The average cost if the bond is approved is $1.10 per $1,000 of assessed valuation.

If passed, the bond package will

- Increase student safety
- Provide infrastructure for modern technology
- Improve parking and access
- Have more energy-efficient heating, cooling and lighting
- Feature modern playgrounds and fields for schools and community use

Visit the ASD website for additional information or email election2026@auburn.wednet.edu.

ELECTION DAY NOVEMBER 3

PLEASE DROP OFF YOUR BALLOT AT A BALLOT DROP BOX

Friendly Reminders

- Deliveries from services like DoorDash, UberEats, or other delivery platforms are not permitted. Any delivered items will either be returned to the driver or discarded.
- We enforce a no-phone policy in all classrooms. Please keep your phone put away during class time.
- The parking lots, the bus loading zone, athletic fields, and the front of the school are off-limits during the school day unless students have received prior permission from the administration.

Counseling Corner

Senior Parents: Important Mail Incoming!
Keep a close eye on your mailbox this November! Our Counseling Team is sending out **Graduation Tracking letters** for all Seniors. This letter will give you a clear update on where your student stands for Spring graduation: whether they are fully on track, working through a plan to make up missed credits, or not likely to graduate on-time. Once it arrives, take a moment to sit down and review it together.

Welcome to the AMHS Counseling Team!
The next time you stop by the Counseling Office, say hello to our **new Counseling Office Manager, Mici Baker**! Mici comes to us from Mount Baker Middle School and brings 12 years of experience within the Auburn School District. She is always ready to greet students and families with a warm welcome, so be sure to extend one to her when you see her!

Extended Day

We are excited to begin our Extended Day programs at AMHS this week. Our Extended Day programs include English Language Arts (focusing primarily on LA9, LA 10, and American Lit) and Math (focusing primarily on Algebra and Geometry). ELA Extended Day will be held Mondays and Wednesdays from 2:45-4:15 with Mrs. Stenson (219) and Mrs. Bendt (234). Math Extended Day will be held Tuesdays and Thursdays with Mr. Bowden (204) and Mr. Koziol (233). Some students received invitations, but the programs are also available for drop-in assistance. Please be sure to sign-in when you arrive. Our activities bus leaves AMHS at 4:45, and students can access it as a transportation option (please see below for drop-off locations).
