GT Referrals OPEN NOW!

Referral Window: Friday, Nov. 6 – Saturday, Dec. 5, 2026

Ferris ISD is now accepting referrals for the 2026–2027 Gifted & Talented evaluation window for students in grades 1–12 who may demonstrate a need for Gifted & Talented services.

This year, referrals will be submitted online through **Project GT**, our platform for managing the GT referral and identification process. Families may submit a referral during the open window using the referral button.

All referrals must be submitted by **Saturday, Dec. 5, 2026.** Referrals submitted after 12/5/26 will not be evaluated during this school year and must be resubmitted during the next open referral window.

Referral deadline: Saturday, Dec. 5, 2026

After this date, referrals will not be evaluated this school year and must be resubmitted during the next open referral window.

What About Kindergarten?

Kindergarten students will participate in universal screening later in the school year. Students who demonstrate potential for GT services will move forward through a separate spring referral and identification process.
