STUDENTS

• Be open and honest when I need help with learning.
• Come to school ready to learn, respect others, and avoid disrupting learning.
• Work toward my reading and math goals.
• Maintain a growth mindset and work with my classmates and teachers.

COMMUNICATION ABOUT LEARNING

• Parent–teacher conferences during teacher planning times or by appointment.
• Progress reports and report cards.
• School calendars, ParentSquare announcements, phone calls, and school website updates.
• Families may contact teachers to discuss progress, ask questions, or request academic support.
• Translation or interpretation assistance is available through the school office.

STUDENTS, TEACHERS, AND FAMILIES

Working together for student success!

IN THE CLASSROOM

Our teachers and school will:
• Provide high-quality grade-level instruction and differentiated support.
• Maintain a safe, welcoming learning environment.
• Use assessments to monitor growth and provide targeted support.
• Share practical reading and mathematics strategies for use at home.
• Provide opportunities for families to volunteer, observe classrooms under campus procedures, and participate in school decisions.
• Communicate about progress and offer conferences.

AT HOME

Our parents and guardians will:
• Support attendance, punctuality, and readiness to learn.
• Read with children, discuss learning, and support homework.
• Practice math through everyday activities.
• Review ParentSquare messages and progress reports and communicate with teachers.
• Attend meetings, conferences, and family learning activities when possible.
• Share input on school programs and learning supports.

OUR GOALS FOR STUDENT ACHIEVEMENT

DISTRICT GOALS

Support student growth in reading, mathematics, and grade-level state academic standards. Strengthen meaningful family involvement, communication, and school–family partnerships.

PATTERSON SCHOOL GOALS

Strengthen reading comprehension, writing, and mathematical reasoning through high-quality instruction, targeted interventions, and regular monitoring of student progress.

Increase parent participation in school learning opportunities; provide families with useful academic strategies and timely information about student learning.

SHARED COMMITMENT

Students, teachers, and families will communicate respectfully, celebrate progress, and work together to support every child.

WHAT IS A SCHOOL–PARENT COMPACT?

A School–Parent Compact is a shared agreement describing how students, families, and school staff work together to improve academic achievement. It identifies responsibilities and ways to connect classroom instruction with learning at home.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

Patterson invites parents/guardians, students, and staff to participate in the development, review, and annual revision of this compact through Title I meetings and family engagement opportunities. Families can provide suggestions to school administrators throughout the year. Feedback is reviewed when the compact is updated to reflect school academic goals and family needs.

Families may contact the front office at (713) 943-5750 for questions, suggestions, or assistance.

ACTIVITIES TO BUILD PARTNERSHIPS

Patterson provides opportunities for families to connect with staff and support student learning. Events and meeting details are shared through ParentSquare and the school calendar.

- Open House — September 17, 2026.
- Annual Title I meetings — October 22 and 23, 2026.
- Coffee with the Principal — every other month (dates announced by school).
- PTO activities — dates announced by school.
- Parent–teacher conferences — during teacher planning times or by appointment.
- Reading, math, and family learning events — dates announced by school.
- Volunteer and classroom observation opportunities — in accordance with campus procedures.

STUDENT LEARNING GOALS

Two goals I have for this year:

1. _____
2. _____

To achieve my goals, I need:

_____

_____

PATTERSON ELEMENTARY

SCHOOL–PARENT COMPACT

2026–2027 School Year

Title I, Part A

Dual Language • Literature Magnet
IB World School
