OUR GOALS FOR STUDENT ACHIEVEMENT

DISTRICT GOALS

The District Improvement Plan provides detailed information about HISD's progress toward achieving specific objectives such as improving student attendance, improving academic performance, and reducing the dropout rate.

ANNUAL TITLE I MEETING
Sharpstown International School will hold an annual Title I meeting to inform parents of their rights. Translation services are available.

SCHOOL GOALS

Sharpstown International School is committed to accelerating student achievement. The focus of the acceleration plan is to build upon existing strengths while ensuring all students continue to demonstrate academic growth, college readiness, language acquisition, and mastery of IB standards.

Creating Strong Family–School–Community Partnerships

Think Global • Grow Daily • Elevate Excellence

At Sharpstown International School, we believe student success is a shared responsibility among the school, families, students, and community. Our School–Parent Compact outlines how we will work together to support high levels of academic achievement, personal growth, college and career readiness, and the development of globally minded, lifelong learners.

Through meaningful collaboration among educators, families, students, and community members, we commit to the following responsibilities.

Our School Commitment

At Sharpstown International School, administrators, teachers, and staff are committed to providing every student with a safe, supportive, challenging, and academically rigorous learning environment.

We will:

- Provide high-quality curriculum and instruction aligned to state standards, district expectations, and the International Baccalaureate framework.
- Maintain high academic expectations for every student and provide appropriate support, intervention, acceleration, and enrichment to help students succeed.
- Provide engaging learning experiences that develop critical thinking, communication, collaboration, creativity, and problem-solving skills.
- Provide students with opportunities to prepare for college, career, and post-secondary success through rigorous coursework and programs, including IB, AP, Early College, CTE, and other advanced academic opportunities.
- Monitor student academic progress and use data to identify strengths, learning gaps, and appropriate supports.

- Provide families with information, resources, and strategies to help them support their student's academic growth at home.
- Maintain regular, timely, and meaningful communication with families regarding student progress, attendance, behavior, academic expectations, school events, important deadlines, and available resources.
- Communicate with families through multiple methods, including ParentSquare messages, Parent Newsletters, and letters sent home when necessary, to ensure families remain informed and connected to the school. ParentSquare provides communication in a language families can understand.
- Encourage two-way communication by providing families opportunities to contact teachers, counselors, administrators, and other appropriate staff with questions, concerns, or requests for support.
- Provide meaningful opportunities for parents and families to participate in their student's education and the school community.
- Treat every student and family with dignity, respect, and professionalism.
- Work collaboratively with students and families to address individual student needs.
- Maintain a school culture that promotes the attributes of the IB Learner Profile and prepares students to become caring, principled, knowledgeable, and globally minded citizens.

Our Family Commitment

As a parent, guardian, or family member, you recognize that your involvement is an important part of our student's academic success.

You will:

- Ensure students attend school regularly, arrive on time, and prepared to learn each day.
- Encourage students to maintain high academic expectations and complete assignments to the best of their ability.

- Monitor students' academic progress, attendance, grades, and school responsibilities.
- Review communications from teachers, the school, and the district regularly and respond when necessary.
- Communicate with teachers, counselors, administrators, and other appropriate staff when students need academic, social, or emotional support.
- Participate, when appropriate, in conferences, meetings, school events, and decisions related to students' education.
- Provide a supportive environment and appropriate time for studying, reading, completing assignments, and preparing for assessments.
- Encourage students to seek assistance, attend tutorials or interventions when needed, and take advantage of the academic opportunities available at SIS.
- Reinforce the importance of respectful behavior, responsible decision-making, and adherence to school expectations, school and district's rules.
- Encourage my student to become an active and positive member of the Spartan community.
- Partner with the school to support my student's preparation for college, career, and life beyond Sharpstown International School.

Our Student Commitment

As a Sharpstown International School student, you understand that you are responsible for actively participating in your learning and contributing positively to our school community.

You will:

- Take responsibility for your academic progress and give your best effort each day.

- Complete assignments, classwork, projects, and assessments with integrity and to the best of your ability.
- Ask questions and seek assistance from teachers, counselors, administrators, or family when needing help.
- Participate actively in classroom instruction, discussions, collaborative learning, and academic activities.
- Use feedback from my teachers to improve your work and continue growing academically.
- Attend tutorials, interventions, acceleration, or other academic support when assigned or needed.
- Monitor your grades, assignments, attendance, and academic goals.
- Demonstrate respectful, responsible, and safe behavior at school and during school-sponsored activities.
- Respect the perspectives, backgrounds, cultures, and experiences of others.
- Demonstrate the qualities of an IB learner by striving to be knowledgeable, principled, caring, reflective, open-minded, and willing to take appropriate risks in my learning.
- Take advantage of opportunities that prepare you for college, career, and future success.
- Represent Sharpstown International School positively and contribute to a strong **S**partan community.

Our Shared Commitment

Together, Sharpstown International School, families, and students commit to maintaining a partnership centered on student achievement, consistent communication, high expectations, mutual respect, and continuous growth.

We believe that when schools, families, and students work together, every Spartan can reach their highest potential.

At SIS, our partnership reflects our commitment to: **Think Global • Grow Daily • Elevate Excellence**

Accessibility and Family Support

Sharpstown International School is committed to ensuring that all parents and guardians have meaningful opportunities to participate in their student's education.

Families who need translation, interpretation, accessibility accommodations, or other support to participate in conferences, meetings, school activities, or other family-engagement opportunities are encouraged to contact the school so appropriate assistance can be provided.
