ABOUT GLOBEDUCATE

We prepare each student to become a global citizen who can shape the world.

60+
Premium bilingual international schools

40,000
Students

12
Countries

4
Continents

The world is changing at an incredible pace. Today´s students will only succeed if they are prepared for the challenges they will face. In addition to providing a world-class education, Globeducate schools ensure the development of skills and abilities beyond the purely academic.

- Our students learn how to play their part in shaping the future, such as tackling the unprecedented social, economic, and environmental challenges reshaping our global communities.
- Our teachers, counsellors, and partners prepare the next generation for jobs that have yet to be created, for technologies that have yet to be invented and to solve problems that have yet to be anticipated.

CONNECTING YOUNG MINDS AND SPIRITS FOR A GLOBAL PERSPECTIVE

Through our internationally recognised curricula and innovative teaching and learning, our events (International Music Festival, Global Olympics, MUN, Arts Competition, etc.), partnerships (WFUNA, IIG & GBS, WWF, Eco Schools, etc.), and international experiences (Study Abroad, Summer Camps), each Globeducate student learns how to lay the foundations for a better future and how to shape their world.

STUDY ABROAD PROGRAMME

Exclusively available to Globeducate students aged 11 to 14.

Your child can take this unique opportunity to study and stay at one of our world-class boarding schools in the UK, Andorra, Spain, Cyprus or Canada.. The programme is designed to enhance students' educational journeys and provide a rich blend of academic excellence, cultural immersion, and personal development within the trusted Globeducate network. This programme will broaden their horizons and prepare them for future academic and career opportunities.

Join us in making this journey a pivotal part of your child's education.

ENRICHING ACADEMIC AND CULTURAL EXPERIENCES

The Study Abroad Programme provides enriching educational experiences that go beyond the classroom. Your child will develop confidence, independence, and resilience as they explore different cultures and forge new friendships. This is the perfect stepping stone to becoming a well-rounded global citizen who can shape the world.

High standards of teaching and learning, tailored support, and a nurturing environment will lead your child to thrive. Whether for one term, two terms, or a full academic year, this programme will broaden their horizons and prepare them for future academic and career opportunities.

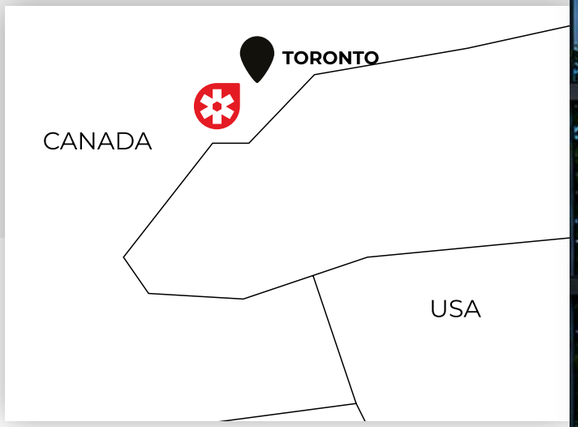
TORONTO PREP SCHOOL



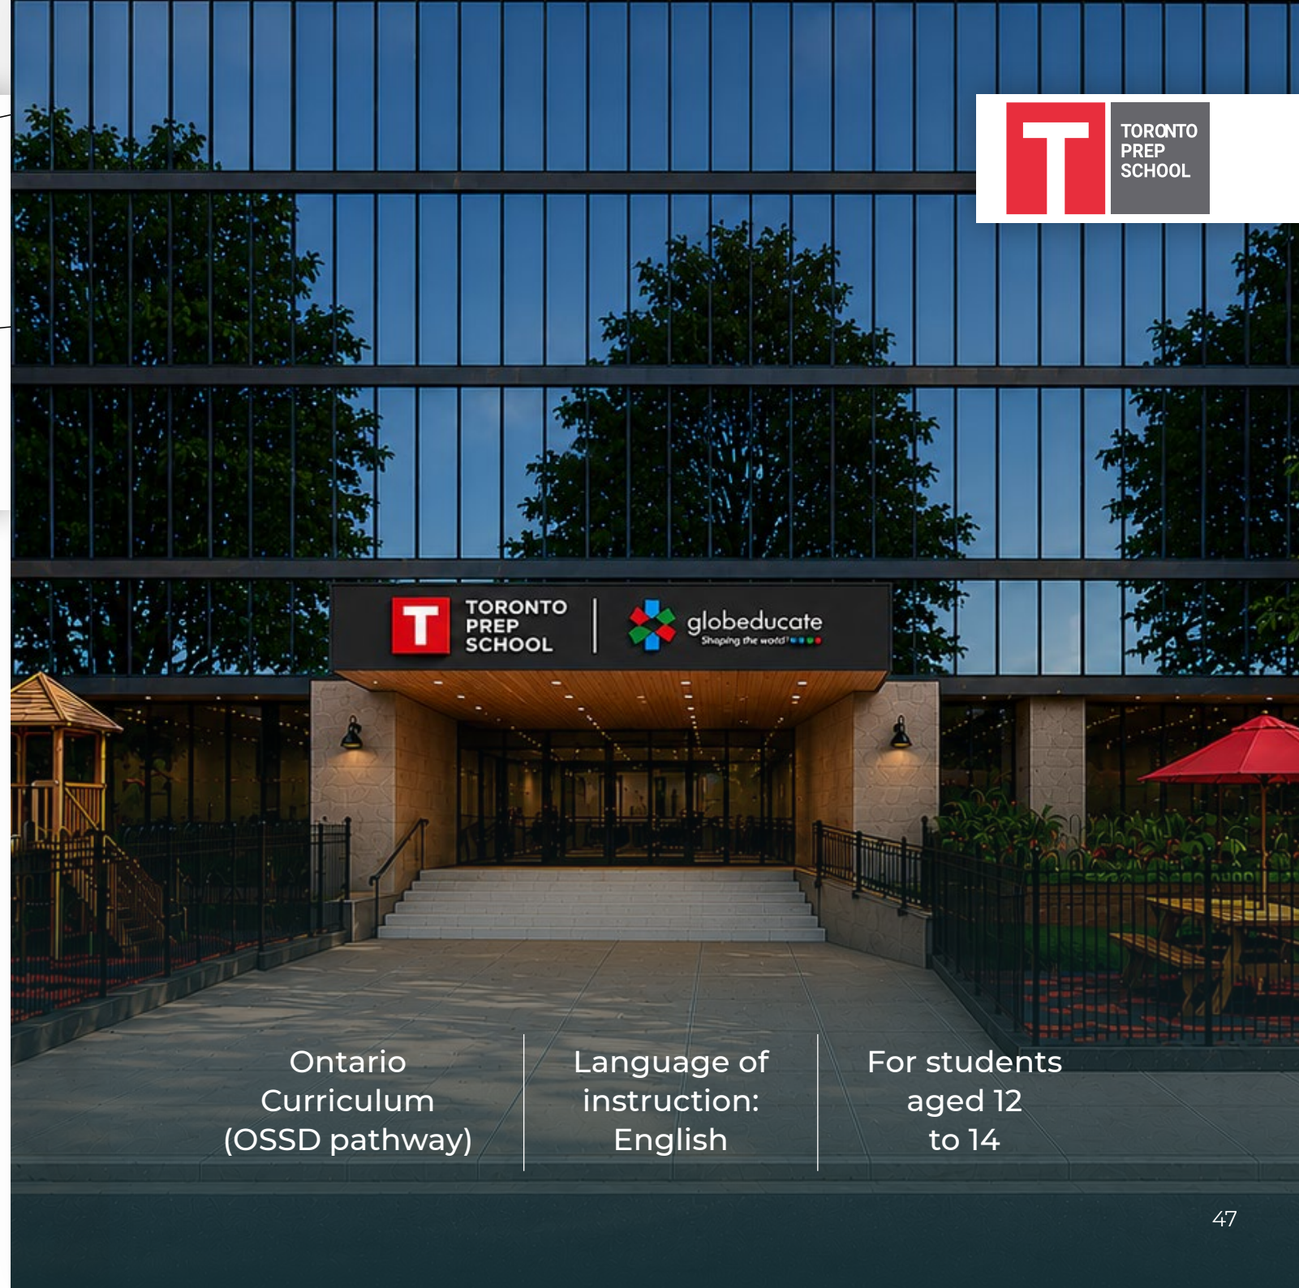
TORONTO, CANADA

ABOUT TORONTO PREP SCHOOL

In the heart of Toronto, Toronto Prep School (TPS) is a private, co-educational university preparatory day school for students in Grades 7 to 12. Small classes and teachers who take the time to understand each student create an environment where academic ambition grows alongside a sense of belonging. Study Abroad students live with a local host family through TPS's partner, MLI Homestay, so they experience Canadian life from the inside while improving their English and forming lasting friendships.

SCHOOL HIGHLIGHTS

- Personal attention: Small classes help teachers recognise individual strengths and encourage progress.
- Support beyond lessons: Teachers are available before school and through the after-school Study Club to help with homework, projects and study strategies.
- A Canadian homestay experience: Students live with a local host family and discover Canada through everyday life.



Toronto Prep School combines university preparation with personal attention, helping young people develop the confidence to participate, discover their strengths and take the next step in their education.

ACADEMIC CALENDAR AND SUBJECTS

ACADEMIC CALENDAR

Semester 1	September to December
Semester 2	January to June

SUBJECTS

Grade 7 & 8: History, Geography, Math, Science, English, Computers, Music, Art, Drama, French, Physical Education
Grade 9: Learning Strategies, Science, English, Math, Canadian Geography, French, Drama, Guitar, Computer Technology, Communications Technology, Art, Physical Education

CLUBS AND ACTIVITIES

TPS offers a range of clubs and activities to enrich the student experience:

Sports:
Recreational Hockey

Arts:
Art, Music, Photography

STEAM:
Engineering Design, Mathematics, Chess

Outdoor Activities:
Duke of Edinburgh Award

Cultural Activities: Debate, Model United Nations, Newsletter, Yearbook

WHO IS THIS FOR?

TPS is perfect for students who value a school where teachers take the time to understand their individual strengths. It particularly suits motivated learners who are willing to seek support and take responsibility for their learning. It also suits those who are curious to experience Canada through life with a local family. It is ideal for children who are ready to adapt to shared routines and develop independence, and who enjoy exploring new interests and contributing to school life.

HOMESTAY EXPERIENCE

TPS is a day school and does not offer on-campus boarding. Instead, students live with a local host family in Toronto through TPS's partner, MLI Homestay. They attend TPS during the school day and return to a Canadian household in the evening, sharing its routines, conversations and family activities. This helps an unfamiliar place feel like home, builds confidence in everyday English and develops practical independence. Families receive full details of accommodation and the support provided outside school as part of the placement process.

Living in Toronto offers a different perspective on Canada from a short visit. Students come to understand the city through the people they meet and the experiences they share.
