What's Going On

Reading for Minutes

This month we transition our reading for minutes from suckers to hot cocoa. Each Friday students will receive a nice warm cup if they reach their quota by Thursday. K -2 need 30 minutes and 3 - 5 need 60 minutes.

Lights on After School

We celebrated this during early release on Thursday Oct. 22nd. Students had a blast playing glow relay races and a balloon glowing dance party in the gym.

Kid's Zone Bucks/Store

Students have started earning these bucks for being kind, listening, being helpful and respectful. They then can spend them at our KZ store for fun prizes.

Reminders

Valid Picture ID's are required every day upon pick up.
Please do not hold the door open for others.
Thank you to my parents that stood their ground during parent teacher conferences.

Upcoming Events

- Nov. 25 -27 - Holiday Break - School & Kid's Zone are closed

2026 Jr. Counselors

CONGRATULATIONS!!

We are excited to have two 5th graders this year that are proud and eager to be great role models for our younger students with positive attitudes, and ready to help where needed, along with their daily duties. Our students always look forward to 5th grade and being Jr. Counselors.
