Dear Himanshu,

In accordance with S.C. Code Ann. § 30-4-30(B), the district provided a cost estimate for the retrieval and redaction of responsive public records. The district receives numerous FOIA requests and is unable to provide your "remaining records without a fee or waiving the estimated charges".

Hello Molly,

Thank you very much for sharing the responsive public records and providing the details regarding the remaining records. We sincerely appreciate your time and assistance.

We would also like to kindly ask if there is any possibility of providing the remaining records without a fee or waiving the estimated charges, if

permissible. We would be extremely grateful for any assistance you may be able to extend in this regard.

Thank you again for your kind support and consideration.

Regards,

Himanshu Yadav
