Blue Day

The October WMS Library Spooky Short Story contest has been decided by our judges! 1st Place: **Emily Siyunov**, 2nd Place: **Sarina Vernov**, Tied for 3rd Place: **Abigail Cohen**, **Siana Ferguson**, and **Jasmine Gao**. Winners, please stop by the library sometime today to collect your prize. Great job to all who entered!

Track practice for today has been canceled. Please go home immediately following school.

Attention 8th grade chorus members and select choir members. Be sure to check the lesson schedule on Schoology so you are aware of your lesson date and period. It is also posted in the music wing. Lessons are every blue day. This week's lessons are Wednesday period 4 and Friday period 2.

Builders Club is hosting a Trick-or-Treat for UNICEF fundraiser. Orange donation boxes can be found in homerooms and in the main office. All funds raised will go toward supporting children when and where they need it most, as well as to programs that provide essentials like education, safe water, and more. This fundraiser will end on November 19th. If you have any questions, please see Ms. Rissland or members of Builders Club. Thank you for your support!

Remember, no one in our school travels alone. Being part of the pack means we lift each other up. If you see a teammate struggling, offer a helping hand. If you need a hand yourself, your pack (including your teachers and counselors) is always here for you. We are stronger together!

Band lessons are cancelled this week.

Orchestra Lessons: 11/6/26

Period 1: 7th Grade Violin B

Period 4: 7th Grade Violin C

Period 7: 7th Grade Viola
