WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is a partnership agreement created by parents, students, and teachers. It outlines how families and educators will work together to help students meet or exceed grade-level expectations. The compact supports campus improvement goals, student learning, and high-quality instruction.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

Fondren Elementary School parents, students, and staff meet annually to review student learning needs using current grade-level data. The compact is updated based on these discussions. Teachers share learning activities for home, parents offer suggestions to make them more meaningful, and students identify ways to work toward their academic goals. Families are encouraged to provide feedback throughout the year.

ACTIVITIES TO BUILD PARTNERSHIPS

- Parent-teacher conferences.
- Family academic nights.
- Parent meetings and workshops.
- School events and volunteering.
- Family surveys and feedback.
- Attendance and academic celebrations.

Student Goals:

Fondren Elementary School families, teachers, and staff work together to support student learning and academic growth. Student goals include:

- Read daily to improve reading skills and comprehension.
- Track progress using BOY, MOY, and EOY assessments.
- Use Clever resources to strengthen Math, Reading, Writing, and Science skills.
- Complete DOLS, participate in lessons, and ask for help.
- Show positive behavior and responsibility.

My personal goal for this school year is:

_____
