Dear Parents/Guardians,

At Piney Grove Middle School, we provide many exciting student activities in which students can participate. These activities allow students to grow outside of their rigorous academic life, and at the same time, they provide enrichment for our students. We are very excited about our Basketball Season this year and would LOVE for your child to be able to attend our Home Games. Our first home game of the season is Thursday, November 12th.

If your child is interested in staying after school to attend one of our Home Games, they must submit a completed form signed by a parent/guardian, along with **$3.00 cash**. Both the completed form and payment must be brought to the atrium **first thing in the morning, before the 8:50 a.m. bell**.

Please note that a new form and $3.00 payment are required for each Home Game. Forms and tickets may only be purchased on the morning of the game your child plans to attend. Tickets purchased at the game will cost $6.00. By submitting this form and payment, you acknowledge and agree to the following:

- **Your child will need $3.00 cash AND a permission slip brought to the atrium FIRST thing in the morning to get their wrist band from Coach Jager. <u>If they do not have a prepaid wristband, they do not stay for the game.</u>**
- **Your child staying after school to be supervised by a staff member of Piney Grove Middle School**
- **Your child will need to bring cash if they wish to purchase anything from the concession stand**
- **Your child MUST be picked up before or by 8:00pm following the game.**
- **Your child is expected to demonstrate their GRIT as well as follow school rules and expectations.**

Your student, _____ has elected to stay after school to attend the home basketball game on _____, 2026. I understand transportation home after the game is the sole responsibility of the parent/guardian. Students must be picked up at the approximate end time of the game in the bus loading zone in the back of the school. I understand they need to be picked up no later than 8:00pm.

Thank you,

Please complete everything below:

I, _____, am the legal parent/guardian of _____.
