HUDSON HIGH SCHOOL

ATTENDANCE AT A GLANCE

Research shows a strong correlation between student achievement and student attendance. In view of what the research indicates, we strongly encourage parents/guardians to make every effort to minimize student absences by planning vacations on the district's scheduled days off and appointments outside of the school day.

Reporting an Absence or a Late Arrival

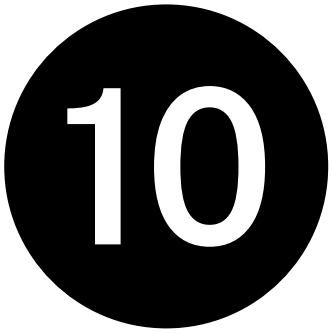
Please enter your student's absence or request to leave early in Skyward Family Access or call the Attendance Line. To report an absence using Skyward: Log into your Skyward Family Access account and select the Attendance tab.

Leaving Early

If your student needs to leave during the school day, please notify the school and have your student pick up a pass from the Main Office prior to leaving the building. **Leaving without a pass will generate an unexcused absence.**

[3 DAYS]

Did you forget to report your student's absences? Families have three days to update unexcused absence codes. Please call or send a medical provider's note to the office within this time frame or the absence may remain unexcused.



ABSENCES PER YEAR

Families have 10 total days per year that they can use however they would like. After 10 excused absence days, students will be considered unexcused without approved doctor verification or other required documentation regarding each absence.

EXCUSED VS UNEXCUSED

Any absences that are due to medical appointments (dentist, doctor, chiropractor, therapist, etc) may be excused and EXEMPT FROM THE 10-DAY TOTAL with a note from that medical provider and administrative approval. Notes can be brought to the Main Office.
