Shared Decision-Making Committee (SDMC)

Date: September 24, 2026
Location: Project Chrysalis Middle School
Time: 9:00 AM – 10:30 AM

Welcome and Celebrations
The committee reviewed campus accomplishments and student achievements.
Topics included:

- 2026 State Accountability Results
- Academic Distinctions and Campus Recognitions
- Student and Staff Celebrations

Campus Overview
The committee reviewed the campus vision, goals, and priorities for the 2026–2027 school year.
Topics included:

- Campus Vision: *We Are the Standard*
- Academic Goals and Student Achievement Expectations
- Accountability and Continuous Improvement Priorities
- Maintaining a High-Performing School Culture

Campus Needs Assessment
The committee reviewed campus performance trends and priorities for continued improvement.
Topics included:

- STAAR Performance and Student Growth
- Student Attendance and Academic Trends
- Campus Action Plan Goals and Strategies
- Opportunities for Academic Improvement

Committee Discussion: What additional strategies or resources should be prioritized to support student achievement?

Title I Overview
The committee reviewed Title I resources and opportunities to support students and families.
Topics included:

- Title I Funding and Expenditures
- Alignment of Resources to Campus Needs
- Parent and Family Engagement Policy and School-Parent Compact
- Family Engagement Activities and Academic Support

Committee Discussion: What resources or engagement opportunities would best support students and families?

Parent Information Sessions
The committee discussed opportunities to provide relevant parent education and strengthen school-family partnerships.
Topics included:

- Social Media Awareness and Digital Citizenship
- Student Mental Health and Emotional Well-Being
- Parent Workshops and Community Resources
- Parent Communication and Participation

Committee Discussion: Which topics and formats should be prioritized for future parent information sessions?

Closing

The committee concluded with opportunities for continued parent and community involvement.

Topics included:

- PTO Updates and Initiatives
- Volunteer Opportunities
- Upcoming Campus and Family Events
- Strengthening Parent and Community Partnerships

Committee Discussion: How can the campus increase meaningful parent participation and volunteer involvement?

Summary of Decisions and Action Items

Decision/Recommendation	Action Item	Responsible Party	Timeline
Student Achievement: Prioritize targeted academic interventions and consistent progress monitoring to sustain high levels of student achievement.	Review student performance data, identify students needing additional support, and monitor progress through campus intervention systems.	Principal, Assistant Principals, Instructional Staff	Ongoing; Review Each Six Weeks
Title I and Family Engagement: Strengthen parent access to academic resources and opportunities to support student learning at home.	Provide academic resources through ParentSquare and coordinate family engagement activities aligned with identified campus needs and available Title I resources.	Title I Coordinator, Campus Administration	Fall 2026–Spring 2027
Parent Information Sessions: Prioritize parent education on social media safety, digital citizenship, and student mental health.	Coordinate informational sessions with the counselor and community partners. Gather parent feedback to determine preferred topics and scheduling.	Counselor, Campus Administration	Fall 2026
Parent and Community Involvement: Increase meaningful parent participation through PTO partnerships, volunteer opportunities, and campus events.	Collaborate with PTO to identify volunteer opportunities, communicate participation options, and encourage family involvement through ParentSquare.	Principal, PTO, Office Staff	Ongoing; Review Each Semester

Next Meeting: December 2026
