November 6, 2026

Dear Primary Families,

It has been a busy week at the Primaries! Thank you to all who attended Parent/Teacher conferences. We love sharing about how our students are growing and learning and your partnership in their educational journey is invaluable. We have LOTS of photos to share this week so be sure to scroll to the end!

WPS Scholastic Book Fair: Don't miss our WPS Scholastic Book Fair this coming Tuesday, November 10th and Wednesday, November 11th. **The book fair will be open from 3:00-7:30 p.m. at the Wyoming Civic Center and a portion of all sales will go to our WPS libraries.**

Hilltop 3rd & 4th Grade Career Connection: This week our 3rd and 4th graders at Hilltop had the unique opportunity to witness the construction of Hilltop while exploring the many careers, skills and talents involved in bringing a building to life. Through this experience, students discovered how professionals work together, solve problems and use their knowledge and skills to turn big dreams into reality. We look forward to offering this experience to our Elm and Vermont 3rd and 4th grade students at their new building sites!

Wear Red, White and Blue on Veteran's Day! On Wednesday, November 11th, each school will gather for a special student assembly to honor our nation's service members. Students are invited to wear red, white and blue as part of this celebration. We would be privileged to welcome local veterans and active-duty military personnel as our honored guests. If you have a veteran or active-duty service member in your family or community who can attend, please sign them up here. Registering in advance ensures we properly recognize each hero and provide them with a warm, heartfelt welcome.

InView Testing Our second and fourth grade students will participate in InView testing this coming week. Second grade will test on Tuesday, November 10th and Wednesday, November 11th and Fourth graders will test on Thursday, November 12 and Friday, November 13th. There will not be automatic re-testing due to absences or tardies, so it is extra-important that students know to arrive on time on these days.
