XI. PUBLIC PARTICIPATION - OTHER**XII. SUPERINTENDENT REPORT**

Mr. Mengerink reported on the following:

- Discussed cafeteria prices for next year with the Board. Because we have a positive balance each year we no longer have to follow the formula. The Board will consider a drop in the price of full lunches next year by 25 cents.
- Discussed classroom numbers at the elementary. Due to a low number of students entering first grade next year, we will most likely only have 7 sections at that grade level.
- Announced to the Board that the district received a \$265,000+ professional development grant over a 4-year period starting this year. This grant will allow the district to work with Marzano Research Consultants and is aligned with Ohio's Strategic Plan. The grant was successfully written by Julie Simmons. Mrs. Simmons also shared some info with the Board about the grant.
