Supervised Study Club

1. Practice begins at 4:30pm and ends at 6pm. Supervised Study Club is held on PRACTICE days only.

2. If players are on school grounds after 3pm, they are expected to attend our Supervised Study Club. Student-Athletes may not hang out in other areas of the school, as we ask all students to leave the building after the school day & we are providing a supervised area for them as a courtesy to families.

3. If players leave school grounds after school and return, we ask that they do not return until 4:15pm. If circumstances require student-athletes to leave after school and return before 4:15pm, we ask that parents/guardians communicate that circumstance to Justin Jablonske, Middle School Athletic Director for consideration/possible approval.

4. Players are encouraged to bring a healthy snack for after school, as they will most likely be hungry and need a little "fuel" prior to their 1.5 hour practice. We ask that student-athletes pick up after themselves and behave within our STAR expectations for Respect and Responsibility.

5. This Study Club opportunity is optional, not required, and not guaranteed. We ask student-athletes to treat it as a flexible "homeroom" time and to follow the rules/guidelines communicated by the supervisors.

Our policies are in place because we want to assure families that student-athletes are supervised and in a space that allows them to complete homework/be with teammates before their practices. We have a long history of providing this Study Club for late practice teams and look forward to continuing it again this year!

My athlete will be staying at school from 3:00-4:30 study club on the following days and agrees to abide by the rules.

_____ Monday _____ Tuesday _____ Thursday _____ Friday

Student Signature: _____ Date: _____

Parent/Guardian Signature: _____ Date: _____
