

It’s BIGFOOT season!

We have TWO new hikes for you to try!

Now through December 31st

Try the Baby Squatch Trail around our prairie
(for the littles)
or try the Bigfoot Mystery Hike* on our river trail
if you’d like to try something trickier

Either download a recording sheet from our website, or pick one up in the BFEC Resource Center
Hike the prairie trail or river trail (or BOTH) while filling in your answers
Email your answers to schutte1@kenyon.edu or drop them off at the BFEC Resource Center Office
*please note, if you drop off your recording sheet, you can also pick up a “mini” squatch prize
ALL entries (emailed or dropped off) will be entered into a drawing for our “grand prize”!

***please note, for this hike you will also need to download or pickup the “Spy Codes for Kids” deciphering sheet**
