

Mr. Carr has proudly served as an Assistant Principal at Veterans Memorial Middle School for the past 23 years. Throughout his career, he has been dedicated to creating a positive, supportive, and challenging learning environment where every student has the opportunity to grow, succeed, and reach their full potential.

Prior to joining Veterans Memorial Middle School, Mr. Carr spent nine years teaching Computer Science at Lake Riviera Middle School, where he developed a passion for helping students build the knowledge, skills, and confidence needed to succeed in an ever-changing world. He also served for several years as the Head Baseball Coach at Brick Memorial High School, where he learned firsthand the importance of teamwork, perseverance, leadership, and sportsmanship.

Mr. Carr earned both his undergraduate and graduate degrees from Rutgers University. His experiences as a teacher, coach, and school administrator have shaped his belief that education extends far beyond the classroom. He believes that middle school is a particularly important time in a student's life, filled with opportunities to discover new interests, build character, develop independence, and establish the foundation for future success.

His philosophy is simple: every student deserves to feel valued, supported, challenged, and encouraged to become the very best version of themselves. This aligns with his favortie quote of "Give a man a fish and you feed him for a day. Teach a man to fish and you feed him for a lifetime." He believes in building strong relationships with students, families, and staff and fostering a school community where everyone takes pride in being a Mustang.
