A little bit about Mrs. Wilde: This is my 7th year in the role of Special Education teacher at Sinaloa Middle School. I love books and reading and love to see students develop a love of it too. As well as teaching and reading, I love to spend time with my family, hike, garden and anything outdoors.

Class Specific Information

I. Course Standards/Objectives

SAI Reading class is designed to support reading skills with a special emphasis on phonics. We use the Sonday reading program to practice phonetic skills and we use the Read Naturally program to practice reading fluency. I encourage students to read each day as practice and find books they enjoy reading. There will not be homework for this class, however reading 20 minutes a day at home is recommended.

II. Classroom Rules and Student Responsibilities

A. Sinaloa's SABER CODE is the foundation for behavior expectancies on our campus. This Code, along with our standards for citizenship/work habits grades, the school tardy policy, and the school discipline policies, are included in the Agenda book which can be found online at sinaloa.simivalleyusd.org

B. In this classroom students are expected to abide by the Sinaloa Code of Behavior which promotes an atmosphere that is comfortable and positive for learning. Students are expected to be respectful, prepared to learn, and punctual.

III. Grading Policy

Grades for this class will be based largely on effort. Each student is on their own individual level and will not be compared to other students. They will have independent work and small group work each week. They can earn 25 points in each area weekly. If they are consistently doing their work in class they will earn a good grade and make progress with their reading skills.

IV. Textbooks/Materials to Be Used:

1. Students will be using their school computers in class daily.
2. Students should have an independent reading book, this can be borrowed from the school or class library.
