About the Book

The Magic Jar is a heartwarming journey of discovery as Matthew experiences a variety of big emotions when he realizes his beloved dog, Mr. Cooper, is missing. With the help of the Magic Jar, Matthew begins to understand his feelings and discovers the importance of friendship, connection, and the power of opening up to others. This touching story reminds readers that sharing our feelings and allowing others to support us can make even the hardest moments a little easier.

Join us for a creative morning as Sandra reads her book, *The Magic Jar*, and we create our own jars with Natalie, director of creative programs for NAMI WashCo.
