Barker Central School

1628 Quaker Road, Barker, New York 14012-0328

November 2026

Dear Barker School Community,

The Barker Central School District is excited to announce that we have adopted a new communication platform, **ParentSquare**, to help us strengthen communication and keep our families informed and connected to our school community.

ParentSquare will serve as a central location for district, school, grade-level, classroom, and extracurricular communications. Our goal is to make it easier for families to stay connected and engaged in their child's educational experience by providing important information in one convenient place.

Through ParentSquare, families will be able to:

- Receive district, school, and classroom announcements through email, text, or the ParentSquare app.
- Communicate directly with teachers and school staff.
- Complete forms and permission slips electronically.
- Sign up for parent-teacher conferences and volunteer opportunities.
- Access school calendars, events, photos, and important updates.
- Receive communications translated into their preferred language.

We encourage all parents and guardians to register for ParentSquare and download the free mobile app, available for both Apple and Android devices. Families can also access the platform through a web browser at www.parentsquare.com.

How to Register

On Saturday, November 7, 2026, ParentSquare invitations were emailed to all parent and guardian email addresses currently on file with the District. These invitations included a link to activate your ParentSquare account.

If you did not receive an invitation or have not yet registered, you can also activate your account by following these steps:

1. Visit ParentSquare Registration.
2. Under the "Register" section, enter the email address or cell phone number you have provided to the District.
3. Click **"Get Started."**
4. If your information matches our District records, you will receive an activation email or text message with instructions to complete your registration.

Need Assistance?

If you have difficulty registering, need to update your contact information, or received an invitation in error, please contact Jeff Costello, the District's ParentSquare Administrator, at **jcostello@barkercsd.net** or **716-795-3339, ext. 1153**.

We are excited about the opportunities ParentSquare will provide to strengthen communication between our schools and families. We recognize that strong partnerships and consistent communication are essential to student success, and we look forward to using this platform to keep our school community informed and engaged.

Thank you for your continued partnership and support of the Barker Central School District.

Yours in Learning,

Christian Cornwell

Interim Superintendent / Coordinator of Curriculum,
Instruction, and Professional Learning
