2027 TEMIS School Fees

Dear Parents and Caregivers

On behalf of the TEMIS Board, I would like to share an update regarding TEMIS School Fees for the 2027 Academic year.

We recognise that, in the current economic climate and amid ongoing cost-of-living pressures, investing in your child's education represents a significant commitment for many families. We are sincerely grateful for the trust and support you continue to place in TEMIS, enabling us to provide outstanding learning opportunities and facilities for more than 600 students.

After careful consideration and long-term financial planning, the TEMIS and IEA Board has approved a 3.5% increase in School Fees for the 2027 Academic Year**.** This decision was not made lightly. Rather, it reflects our commitment to maintaining the high standards of education, care, and service that our students and families expect from TEMIS.

Increasing expenditure associated with staffing, facilities maintenance, educational resources, technology, and professional learning has made a fee adjustment necessary.

This investment will ensure that TEMIS can continue to enhance its facilities, strengthen teaching and learning programs, and attract, develop, and retain high-quality staff. Most importantly, it will support our mission of providing a learning environment in which students are empowered to contribute positively to their cultures and communities while benefiting from a high-quality international education.

We thank you for your continued partnership and support as we work together to provide the very best educational experience for every TEMIS student.

Yours sincerely,
Craig Gibson
Principal
The Ela Murray International School
Port Moresby, Papua New Guinea

Annual Fee

A discount applies to full year (Term 1-4) fee and MUST be paid before **end of Week Three (3)** of Term One (1), or by **06th February 2027**. Annual discount is a special offer, after its due date, it is no longer available. Missing the annual discount fee deadline means the annual fee converts to term fee.

Term Fee

Termly fee MUST be paid **before end of Week Three (3)** of the new term. School will produce **Outstanding School Fee Notice** to parents/caregivers by **Week Four (4)** to ask students to stay home for non-payment of school fee. There is a provision for part payment of fee subject to Principal's review and approval ONLY if there is a clear payment plan date set to settle all outstanding fees before end of term.

Family Discount

Where a family has more than two children attending school, whether at the Murray or ELC site, a 5% fee discount may apply for the third child and subsequent children, based on fulltime enrolment. This is at the discretion of the Principal. With respect to the ELC, this only applies to those children who attend ELC on a full-time basis (5 days).
