ACADEMY of ST. JOSEPH

111 Washington Place
New York, NY 10014

November 6, 2026

Dear Academy of St. Joseph Community:

We hope everyone has enjoyed a great start to the 2026-2027 academic year!

The Board, administration, and faculty go to great lengths to ensure that the Academy attracts a competitive pool of students while continuing to provide a top-quality education at affordable levels for our community. After careful consideration of historical approaches to tuition, the competitive market for education services in New York City and our experience with the new multi-tiered approach to tuition levels adopted for the 2026-27 academic year, the AOSJ Board of Trustees has determined the annual cost of tuition for the 2027-2028 academic year as follows:

- Upper School (all grade levels): $37,800.
- Lower School (Grades 1-4): $36,225.
- Lower School (PreK-K): $18,900.

The annual cost of tuition represents an increase of approximately 5.0% over the 2026-27 school year and aligns with our rising fixed operating costs. As always, financial aid applications are available through TADS for those needing assistance. Consistent with the 2026-2027 academic year, the first tuition payment will be payable in June 2027.

For Pre-Kindergarten and Kindergarten, the tuition level continues to represent a substantial reduction relative to academic years historically. We believe these enhancements will continue to attract families at an important entry point and contribute to the strong, sustained growth of the Academy.

Please know that these increases reflect a continued focus on responsible cost management, as well as a commitment of the Board to keep the Academy affordable while providing exceptional educational value for our community. Your tuition payments support funding for regular faculty salary increases, periodic facilities upgrades, recruiting of top-notch personnel, and periodic improvements to the safety and security of the school premises, among other things.

Thank you for your ongoing support and commitment to the Academy. We wish you and your families a wonderful holiday season, and look forward to great things for the rest of this academic year and beyond.

Sincerely,

The Board of Trustees of the Academy of St. Joseph
