FAQ for MVHS Bowling

When are tryouts?

Tryouts are usually the week after Thanksgiving break. During tryout week, girls will have tryouts on Monday and Tuesday. Boys will have tryouts on Wednesday and Thursday, possibly Friday.

Check the current Practice/Meet calendar on our website for exact tryout dates.

What do I have to do to try out?

Simply add your name to the tryout list. See Ms. McClure in room C134 for more information. You also must have all athletic paperwork completed with the main office. Forms can be found by clicking here.

When does the season actually start?

After tryout week, we have the rest of the month of December off. We start practice on the Monday after winter break in January. We will have meets once or twice a week during January and February. Regional bowling is usually the last week of February. State bowling is usually the first week of March.

When and where do we practice?

We practice at Park Lanes in Shawnee from 3:00pm to 5:00pm on days we do not have a meet. We do not have practice on Saturdays.

What time are bowling meets?

Our meets are during the week and usually start at 3:00pm or 3:30pm and last no longer than 5:00pm.

How many people are on a bowling team?

We will have 24 people on our team.
6 Varsity boys. 6 JV boys. 6 Varsity girls. 6 JV girls.

Are there cuts?

Sometimes we have to make cuts. It just depends on how many people try out.

Is there transportation from MVHS to meets and practices? Or do I have to drive myself? What if I can't drive?

For practices and home meets, students are allowed to drive to Park Lanes. If a student is not able to drive, they are allowed to ride with a parent or another student if they have permission on their transportation form. If a student does not have permission to ride with someone on the team and needs a ride from MV to practice, the coaches can provide a ride in a district vehicle. For away meets, ALL students will either ride a bus or district vehicle. Students are not allowed to drive themselves to away meets.

Do I need to have my own bowling ball and shoes to be on the bowling team?

No. The bowling alley will provide you with shoes free of charge and you are welcome to use a house ball in meets and practices. It is up to you if you would like to purchase that equipment on your own.

Is there a school uniform?

The uniform tops are personalized (your name is on the back) therefore, you will be responsible for purchasing your uniform top. For bottoms, you will need black pants or a black skirt. You are not allowed to wear jeans, shorts, or yoga pants.
