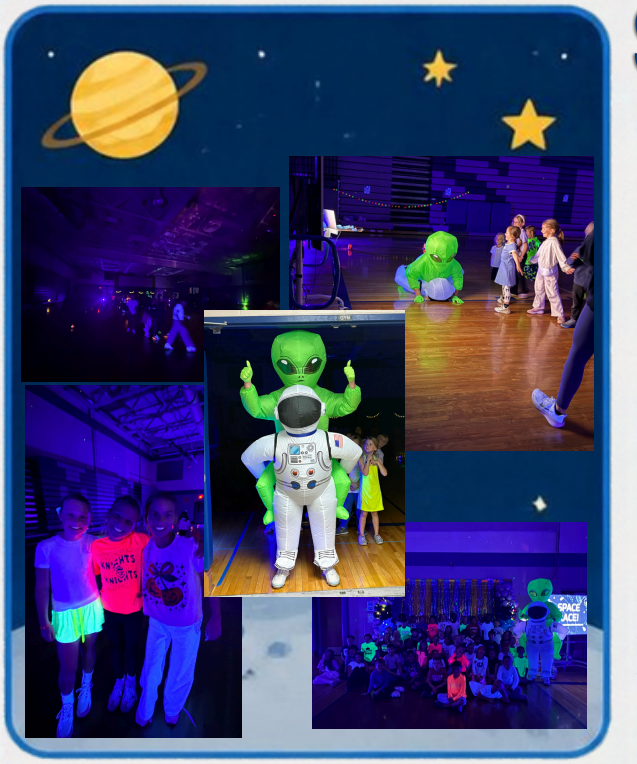
Fall Newsletter

Spirit Fest

We had a great turnout with some awesome highlights! Families enjoyed a resource fair featuring games and prizes from local community partners, many enjoyed the pizza to purchase (we sold around 100 pizzas!), as well as What's the Scoop ice cream and playing on the playground and new turf!



Space Race Fun Run

We launched our fundraising goal out of this world! Our final number was $35,561.97 of our $30,000 goal or 119%. A galactic THANK YOU to all who donated! All donations go back to students and the school as the PTO uses these dollars to support playground improvements, author visits, family nights, Book Bingo, classroom support and more!

Since we not only reached, but surpassed our fundraising goal, all students will enjoy an all school field trip to St. Michael Cinema in December to watch a space-themed movie!

A special shout out to the businesses who donated: Bernings Auto, LADC Companies, Plato's Closet-Maple Grove, Peggy S Schumm CPA Ltd., QLeaR Advisors, Reilly Industries, Bombshell Lash Extensions and The Peach Properties Real Estate

THANK YOU, THANK YOU, THANK YOU!

Staff Appreciation

In September, staff enjoyed some breakfast treats and a well-stocked fridge.

In October, conference meals from The River Inn were provided, courtesy of the PTO.
