TUSKER TRACKS

A weekly, *trunkated* note from Dr. B

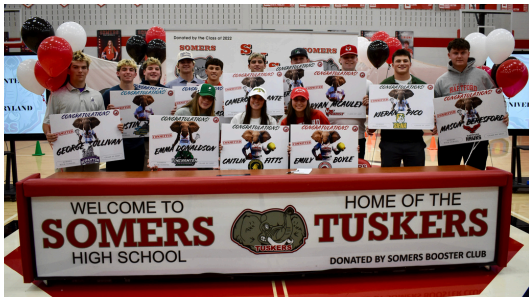
Nov 13
2026

The Bronstein Brief

Happy Friday, Somers!

Today at SHS, we had the opportunity to celebrate some of our senior student-athletes who have made the decision to continue their athletic careers at the collegiate level next year.

We look forward to continuing to celebrate the class of 2027 and their many accomplishments throughout the school year!



'Tails' of Triumph

Congratulations to Aiden See, who has qualified for the New York State Cross Country Championships for the second consecutive year!

Competing on the historic 5K course at Bowdoin Park, Aiden clocked an impressive 16:44, earning Section 1 Class B Runner-Up honors and finishing 3rd overall in all of Section 1!

Aiden will head to Queensbury High School this weekend to compete at the state championships, returning to the same course where he competed last year as an 11th grader.

The Tusker boys also had a strong showing, finishing 5th overall in Class B and 14th overall in Section 1!

Congratulations to Aiden and the entire team on an outstanding season! Thank you to our coaches, families and everyone who continues to support our student-athletes.

Tusker Tidbits

This week celebrates the contributions of school psychologists and the important role they play in schools and communities. National School Psychologists Week is an annual opportunity to recognize school psychologists' work to help children thrive in school, at home and in life. This year's theme, "Inspire Connection," highlights how school psychologists build meaningful relationships that support students, strengthen collaboration and transform school communities.

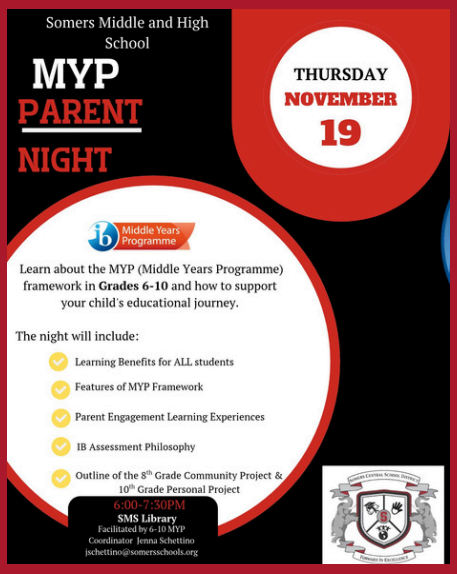
Thank you to our incredible Somers School Psychologists for the care, compassion and dedication you bring to our school community each day. We are grateful for all you do to support our students and help them succeed!

Tusker Pride

This Veterans Day, SIS students found meaningful ways to honor those who have served and celebrate the people who make a difference in their lives. Through our Hall of Veterans, students are highlighting veterans in their families, sharing where they served and what makes them so special.

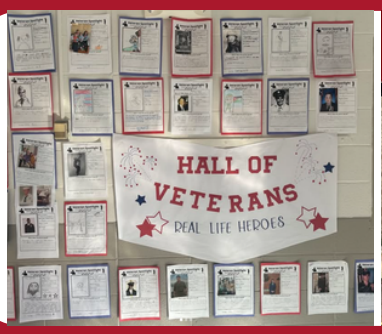
Also at SIS, the Wall of Gratitude is filling up with heartfelt postcards expressing appreciation for the many people who make our school community special - from parents, friends, teachers and classmates to mentors, coaches, custodians, bus drivers, monitors, kitchen staff, social workers and so many more.

These thoughtful projects remind us of the importance of honoring service, recognizing others and taking a moment to say thank you. We are grateful for all who have served our country and for everyone who makes a difference in the lives of our students each and every day!



The Week Ahead

11/16 - Winter Sports Begin
11/17 - Board of Education Meeting (SMS)
11/19 - MYP Parent Night (SMS)
11/20-21 - SHS Fall Drama - The Play that Goes Wrong



THE PLAY THAT GOES WRONG
