Challenge Charter School Week of: November 16,2026

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

ELA

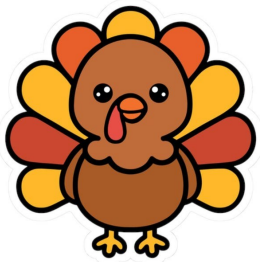
Reading: Reading nonfiction, functional texts and practice using text features we learned to improve our comprehension.

Writing: Should we replace turkey as the traditional Thanksgiving meal? Your students will share their opinion in our current writing lesson.

Grammar: We will continue with helping verbs and irregular plural nouns

ex: child becomes children tooth becomes teeth

Spelling: Alphabetize words and practice writing words with previously learned prefixes and suffixes.

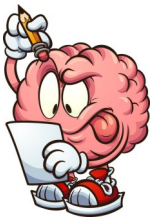


Social Studies

World Rivers

- Rivers Bring Life to Farms and Cities
- Rivers Make Our Lives Better
- A River Viewed from Above

SCIENCE/ CK ELA



We are learning how our bodies work!

- The Muscular System
- Joints and Muscles
- The Nervous System
- The Spinal Cord and Brain

Math

Understanding the Meaning of Division

We will be learning how multiplication and division are connected and solving both division and multiplication problems.

Please keep practicing those facts at home!

CK SAYING AND VIRTUE:

Diligence

Our students' animal projects were AMAZING! Thank you for all your hard work and support! We hope it was a memorable project for you and your child.

In technology, we have been creating our own slide show presentations about our animals!
