Principal Message:

Dear Meridian Community,

The highlight of our week was on Wednesday when we had 6 veterans from our community volunteer to come spend the day with our students. We were so pleased and proud to welcome **Dennis McCadden, Curt Hayes, Brent Garfield, Ian MacLeod, Jeff Steele, and AJ Drago**. Each of our distinguished guests introduced themselves on WOW Wednesday, led us in the pledge of allegiance, had the opportunity to visit classrooms, joined students for lunch, and enjoyed a catered family lunch with family. The goals of the day was to honor & celebrate the veterans in our community, raise awareness among students of the contribution of veterans, and for students to gain an understanding of the jobs, skills, and roles of military personnel in our society. We are proud to say that this group of Veterans helped us meet and exceed this expectation.

Please join us in thanking these heroes, not only for their service to our country, but also their service to our kids and school in our community.
