Preschool IDEA Monitoring – STAR

Dear Parents and Guardians,

The Columbiana County Educational Service Center (CCESC) preschool located at Crestview Local School District has been selected for a **STAR (Supportive Technical Assistance Review)** as part of Ohio's Preschool IDEA Monitoring process.

This monitoring process helps ensure that preschool children with disabilities receive appropriate special education services and supports in accordance with the Individuals with Disabilities Education Act (IDEA).

The review also provides an opportunity for collaboration between the District and CCESC to evaluate current practices, recognize areas of strength, and identify opportunities for continued improvement in the services and supports we provide to children and families.

We value our partnership with families and are committed to providing high-quality educational experiences and supports for all students.
