TRIAD LOCAL SCHOOL DISTRICT

Quarterly Learning Report
Fall 2026

Dear Community,

As we move through November and look ahead to the winter and holiday season, I want to take a moment to thank our students, staff, and families for all they do to make our district a special place. The first few months of school have been filled with learning, growth, and opportunities to come together as a school community.

As the days get colder and the holiday season approaches, I hope you find time to slow down, enjoy special moments with family and friends, and make lasting memories. Thank you for your continued support and partnership. We are grateful to have such a caring community behind our schools and look forward to all that the months ahead will bring.

Have a wonderful holiday season! I hope you get to spend relaxing time with family and friends!

DISTRICT REPORT CARD HIGHLIGHTS

3.5

Meets state standards

2025 - 2026 Report Card for

Triad Local

Districts and schools receive an overall rating of 1 to 5 stars in half-star increments. The overall rating is comprised of up to six rated components.

Achievement

★★★★☆

Exceeds state standards in academic achievement

The Achievement Component is a measure of how well students performed on state tests.

Performance Index **81.2%**

Gap Closing

★★★★★

Significantly exceeds state standards in closing educational gaps

The Gap Closing Component is a measure of the reduction in educational gaps for student groups.

Annual Performance Goals **63.4%**

Early Literacy

★★★☆☆

Meets state standards in early literacy (K-3).

The Early Literacy Component is a measure of reading improvement and proficiency for students in kindergarten through third grade.

Improving K-3 Literacy **29.2%**
Third Grade Reading Proficiency **60.3%**
Promotion to Fourth Grade **88.9%**

Progress

★☆☆☆☆

Significant evidence that the district fell short of student growth expectations by a larger magnitude.

The Progress Component is a measure of the growth students are making based on their past performance.

Graduation

★★★★★

Significantly exceeds state standards in graduation rates

The Graduation Component is a measure of the percentage of students that graduate within 4 or 5 years.

96.9% of students graduated in 4 years
100.0% of students graduated in 5 years

College, Career, Workforce, and Military Readiness

★★★★☆

Exceeds state standards in college, career, workforce, and military readiness

The College, Career, Workforce, and Military Readiness Component is a measure of how prepared Ohio's students are for future opportunities.

Students who are Ready **84.6%**

DISTRICT UPDATES

In October, Triad celebrated the Grand Opening of two new facilities which will have a great impact on the district.

The new District Office is home to offices of the superintendent, curriculum, fiscal, enrollment, HR, operations, technology, and student services departments.

Community Health & Wellness Partners opened a school-based health clinic next to the Elementary, which offers medical care to students, staff, and the public.

ELEMENTARY UPDATE

From October 21st to October 29th, Triad Elementary hosted the annual Grand Event. Students welcomed Grand Guests to the event and enjoyed breakfast and coffee donated by the PTA and Blessing Bags. Grands were able to visit the building and go to the Scholastic Book Fair. It was a memorable experience for all.

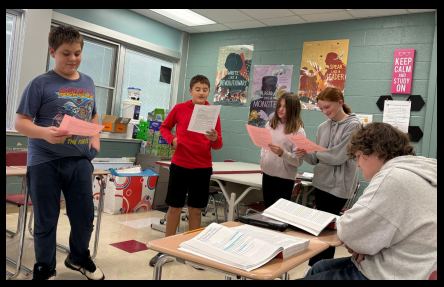
Our Kindergarten students attended a field trip to the Maize at the Little Darby. The students enjoyed learning about harvest season and bringing home pumpkins.

Our 1st graders wrapped up a unit on the Human Body. We partnered with Ohio Hi Point, Community Health and Wellness, and our Allied Health program to create an engaging culminating experience.

Patrick Johnson
Principal
johnsonp@triadk12.org

MIDDLE SCHOOL UPDATE

Students in Mrs. Perry's 5th Grade Math class played a game to make learning multiplication facts fun and memorable.



6th graders completed a health careers lab activity during Health class.

7th graders performed a Readers Theater of their current text.

7th and 8th grade Forensics students learned about fingerprinting with guest speaker Deputy Dixon.

The annual 8th grade trip to Washington, D.C. took place in October. Students visited several monuments and memorials. Other 8th grade students visited the Ohio Supreme Court and Junior Achievement Inspire Career Fair.

Vinnie Spirko
Principal
spirkov@triadk12.org

Students used Makerspace materials and tools to design and test their own bubble wands.

On Activity Day, 6th graders chose from various fun activities to celebrate their hard work during the first quarter. Mrs. Winkle's students played cup games.

HIGH SCHOOL UPDATE

The student news class has taken over the morning announcements, announcing straight from their classroom. They rotate students each morning to gain public speaking experience. They also create a video that is viewed during lunch each Friday and publish a quarterly Newspaper.

THE BIG RED REPORT

Fall — BE RESPECTFUL. BE RESPONSIBLE. WORK HARD EVERY DAY. — 2026

Student Poets

Welcome to this collection of original work, created by the students of Triad's Creative Writing class. Over the past several weeks, this group of writers has experimented with many types of poetry. Take a look at their best work!

Discipline

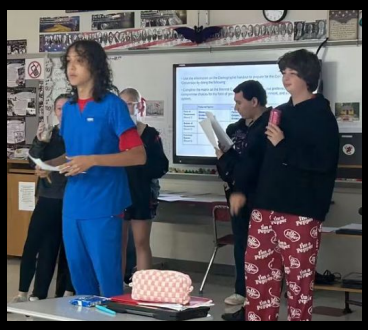
Discipline is like a tree that grows
That starts small but expands over time.
Like how strategically corn is planted in rows.
Not an easy keeper, not one at all.

Discipline, something that is easily forgotten,
Like a simple acting line.
Like a breath you didn't take in
Like a feeling, and action, that is impossible to rhyme.

It's not something you can live without.
A feeling of competition getting a little easier.
Unless you live carelessly, you'll end up with self doubt.
Something you don't have to show off.
People can see it, even out of the blue.

Discipline, not something all people can do.

By Ava Dagger



Other classrooms have focused on engagement strategies, such as debate, splinting, and hands-on problem solving activities to dive into real world application and deeper learning opportunities.

The Practical English course is helping students prepare for life beyond the classroom by connecting academic skills with real-world career experiences. As part of the course, students work toward their individual employment goals through activities such as resume writing, interview preparation, and job shadowing. These experiences give students an opportunity to see firsthand what it takes to succeed in the workplace.
