Dear County Superintendents of Schools:

Apportionment for SUN Bucks Processing and Verification Activities
Fiscal Year 2026–27

$3,223,220 MS

This apportionment, in the amount of ~~$3,372,100~~ is from funds provided by the U.S. Department of Agriculture and California Department of Education (CDE) and authorized under California's 2026 SUN Bucks Plan of Operations and Management. Awards from the CDE are provided to eligible local educational agencies (LEA), participating in the National School Lunch Program and/or School Breakfast Program through the Community Eligibility Provision (CEP) or Provision 2 (P2), who collected, processed, and verified Universal Benefits Applications and federally compliant SUN Bucks applications for 2026 benefit year eligibility.

Purpose of Funds

These funds are intended to help cover costs for the administrative activities associated with collecting, processing, and verifying Universal Benefits Applications (UBAs) or SUN Bucks-compliant applications used to identify students eligible for 2026 SUN Bucks benefits.

The SUN Bucks funding allocation helps support the LEA tasks necessary to administer household income applications in CEP and P2 schools, where meal applications are not otherwise collected for school meal eligibility purposes. By supporting these activities, the funding helps ensure that eligible children are identified and connected to SUN Bucks benefits, while also helping LEAs offset staff time, resources, and operational costs associated with application processing and verification. This investment supports the successful implementation of the SUN Bucks program and helps expand access to nutrition assistance for California families.

Allowable Expenditures

SUN Bucks administrative funds must only be utilized for the administration of the SUN Bucks program. Allowable uses for SUN Bucks administrative funds include:

- Developing a local UBA using the CDE template

- Printing of SUN Bucks materials
- Translations of UBAs into languages spoken by local student populations
- Outreach to families to inform them of the SUN Bucks program and associated eligibility requirements
- Collection and processing of UBAs
- Notification to families of their SUN Bucks eligibility determination
- Handling of appeals for families who do not agree with their eligibility determination
- Updating Student Information Systems for SUN Bucks
- Submission of data to the CDE
- Verification activities specific to SUN Bucks

Funding Amounts and Financial Management

The amount awarded to each LEA is based on a formula set by the CDE. The formula includes two components: $20.00 per UBA/SUN Bucks application processed and $100.00 per UBA/SUN Bucks application selected as part of the required three (3) percent verification sample selected on April 1, 2026.

The CDE recommends that LEAs deposit SUN Bucks administrative funds into the district general fund. SUN Bucks funds may only be used for the purposes for which they are awarded.

Amounts paid in this apportionment are listed on the schedule of apportionment posted under the funding tab on the CDE SUN Bucks Funding Results web page at: https://www.cde.ca.gov/fg/fo/r9/sunbucks26results.asp.

Expenditure Deadline

There is currently no deadline to expend SUN Bucks funds. The funds are intended to provide reimbursement of SUN Bucks administrative activities related to UBAs and SUN Bucks-compliant applications.

Questions and More Information

Warrants will be mailed to each county treasurer or paid directly to the LEA as applicable. For standardized account code structure coding, please use:

- Program Cost Accounts are 15821 and 25822
