Motion by Mr. Klink, second by Mr. McQuiston.

Mr. Burnham noted he could preach to you the rest of the night but you all will not hear my comments. One none of you understand and it will not register is you have been lied to for years a bout that building. Lied when told it was paid off and no way in the world the debt was ever paid off. All that was done was a money shuffle, the bond specific to that might have been paid off but the money owed was reshuffled in bond refinancing so we will be paying for years on debt you are giving a building away. I hope you are proud of yourselves and the damage that has been done to my property, my sisters and sons property by not monitoring the storm exit properly. The best facility in northwest Pennsylvania you are giving away for nothing.
