November 19, 2026

Dear Trumbull Families,

As many of you may be aware, the Trumbull Board of Education recently made the decision to adjust school start times beginning with the 2027–2028 school year. We want to reassure our families that **Trumbull Loves Children (TLC) will continue to be here to support your family's before- and after-school childcare needs.**

We are actively reviewing the potential adjustments to our programming that may be necessary to accommodate the new school schedule. You have our commitment that any adjustments we consider will maintain the level of care, enrichment, and support that our families have come to expect from TLC.

We can share that, in accordance with our state licensing requirements, TLC currently has the capacity to accommodate both returning and new families who may need childcare as a result of the schedule changes.

Registration for the 2027–2028 school year will open on March 1, 2027, and remain available through August 7, 2027.

We understand that changes to the school day can bring questions and adjustments for families. Please know that TLC is committed to being a resource for our community and helping make this transition as smooth as possible.

Thank you for your continued trust and support. We look forward to another wonderful school year and the opportunity to continue serving Trumbull's working families!

Warm regards,

Chauna Gordon

Executive Director

Trumbull Loves Children (TLC)
